

## New Term thanksgiving

The new term for me at Nailsea School has started very well. My timetable has filled quickly with lesson support and 1-2-1 work. Some I have organised myself and some I have been referred to by staff. This school year is looking good as we have had an almost full intake of year 7s and some very enthusiastic new staff also. I have my first opportunity to lead faith based assemblies too at Christmas, Easter & in June, this has been a real answer to prayer and I look forward to engaging with the students through these.

## GSUS Live 2017

GSUSlive in Nailsea, Clevedon & Mangotsfield Schools was an overwhelming success. I personally saw over 1000 students over the 12 days I spent working alongside the teams across the area. The new programme and set up of the trailer was very well received by both staff and students. The structure of the resource looks at the issues of fear, forgiveness and rejection through the eyes of Christian teachings and how historical figures such as Martin Luther King and Mother Theresa dealt with them. At the end of the sessions there is opportunity to give a short gospel talk as way of explaining what we personally believe. Personally I would like to thank Mike Collier and Bob Clatworthy for giving their time to help run the sessions that week, it was hugely appreciated.
