

## First Term Back and what a term!

We hit the ground running for the 2018/19 School year. Due to the way my split role between Nailsea and Clevedon School falls I often miss the first day back at Nailsea School, but this year I was able to be involved in the new years 7s first day, and the rest of the school starting back too. The school had a year 7 intake at almost capacity this year, which is an amazing achievement from a few years ago when there was a whole class size of unfilled places at the school.

The schools open evening was a success, the Connect stand was frequented by many families that evening, some whom were aware of the role and they wanted to sign post their children to it, and others who were interested in some of the work the Connect role does such as the breakfast club and HomeworkHUB.

It has been great to welcome Heulwen, the new youth worker at Nailsea Baptist. She came to the school and we looked at ways both our roles can work alongside each other to serve the young people of Nailsea.

In wider Chaplaincy work recently I have had various meetings in and around the area looking at the importance of school chaplaincy and how to establish more in the locality. Watch this space for future information.

The Breakfast Club and HomeworkHUB have accessed by lots of new year 7s this term which has been very encouraging, it's been great getting to know them and seeing them value these groups. My timetable has filled quickly with lesson support and with 1-2-1s of whom I am looking forward to supporting over this next school year.
