

School's out... Then starts again!

The Summer is here! A fantastic third year for the Nailsea Connect project has been completed in Nailsea School. Here are a few key things to be thankful for from the year that has gone by and things to pray for in the new school year.

- ★ The Youth for Christ Nomad cage football project in School
- ★ Huge increase in the amount of lessons I support
- ★ The role having a greater presence in the daily school life
- ★ The launch and growth of HomeworkHUB
- ★ The strength of Breakfast Club
- ★ The offer to lead 3 faith based assemblies a year
- ★ GSUS live week in September 11th-15th
- ★ Engaging with the new year 7s

At the Nailsea Skatefest 2017 this summer.

GSUS Live 2017

This September marks the second time that the GSUS live mobile RE classroom will be in Nailsea School. Something also to celebrate is that that the project (being coordinated by our own Michael Allen) is going to be in Nailsea, Gordano and Clevedon School. Two schools in Newport and in Mangotsfield School in Bristol (linked to my home church).

The GSUS live project is a mobile, wholly interactive active RE project. It aims to deliver a key part of the Christian element of the KS3/4 RE curriculum. It is a great opportunity to build new and existing links with the schools in the area and was very well recieved in the school when it was here in 2014.
