

## End of term... We made it.

As the end of term arrives, Nailsea Connect has a lot to be thankful for over the last year. Being asked to lead 3 assemblies, the success of GSUSlive and the growth of staff involvement in Breakfast Club to name just three. The Christian identity/purpose of the role has become more apparent this year too, as I have staff asking me to pray for them and for specific situations in the school. I had a very encouraging and generous amount of time with the head this term, who is hugely supportive of the work of Connect in the school.

I will miss a lot of the year 11s that have left this year, a considerable amount of time was spent supporting them and helping them in their catering, media and RE GCSEs. Please can we continue to pray for them and for opportunities to engage with them at some of the various youth spaces around the town.

The skatefest was a fantastic success this year, while slightly quieter than previous years due to a few clashing community events we had loads of committed riders from Nailsea and surrounding areas. It was privilege to get to MC the event again, and great to have James Packman the new Vicar at HT Nailsea deliver a gospel message.

This has been a great year for growing relationships and friendships in the school, not just with staff in departments I work with, but throughout the school. Personally this has been an encouragement, as on occasion ministry can be a busy, fraught and lonely role. I also need to thank my management steering group for their encouragement, support and guidance throughout this school year. Let's start praying for the 2018/19 school year!
