

Christ Church now has a Facebook page! If you are a FB user, just search for Christ Church Nailsea. Updates will appear regularly about church services, events and activities. Please do share the church page on your own FB profile so that we can spread the word about what we do as a church amongst the wider community. And, do like our page so that you receive notifications about future updates.

Gift Day – CC: I'm very pleased to be able to let you know that the wonderful sum of £2,526 was donated during the recent gift weekend. There is a further £530 to be claimed as Gift Aid early in 2019. The four recipient organisations have previously been agreed and, at its meeting on Monday, the PCC resolved to allocate the funds as follows. £500 to the Connect Youth Worker project, £950 to the newly established Christians Against Poverty (CAP) debt centre, £950 to Wellspring Counselling and £126 together with the Gift Aid claimed next year to supporting our CMS partner. Facebook photos: We would very much like to be able to put photos of church events and activities on the new Christ Church Facebook page. This is a great way of promoting what we do as a church, and we hope that as many people as possible will want to be included in these photos because it is a powerful means of making God's work in this place known to others. But if you do not want your picture to be shown on Facebook please would you tell Ali Pemble, Charlotte Smith or Louise as soon as possible so we can ensure you are not included in any photos. We shall make an announcement before any photograph is taken stating that it could end up on Facebook. This will be your opportunity to get out of the way before it is taken if you don't want to be in it! Parents of children will be asked for specific consent. Many thanks.
