

**Wellspring and Waitrose Green Tokens:** For the month of October, you can put a green token into the Wellspring Charity collection boxes at Waitrose. Wellspring offers counselling to young people and adults, and is one of our supported local charities.

**Offerings through the Envelope Scheme: (CC)** Thank you for continuing to support our Church so generously for yet another year. Regular offerings in weekly envelopes are essential for the upkeep of the building, and the running of the services.

This month, boxes of **New Envelopes** for another year are available in the porch. Using these is an excellent way of giving regular support throughout the year. When you are not able to come to a service, your offering can be put aside and brought to Church on a later visit. If you are not already using envelopes, you might consider this a helpful way of making regular offerings. Please take one of the boxes marked **SPARE**, and return the slip enclosed with one of your envelopes for confidential recording purposes. (and to enable a tax reclaim, where this is possible) So watch out for the new boxes towards the end of the month, and collect the box with your name, or one marked **SPARE**.

*(Sometimes, for a very good reason, if some envelopes issued have not been used for many weeks, then a new box will not be put out. If however, one is still needed, then please speak to me and I shall be happy to provide one again.) Gordon Newton*

**Parish Prayers: (CC):** During October, please pray all who live, work or worship in Southfield Road & Southfield Close, Heathfield Road & Heathfield Way, Heath Road and Chapel Close.

**Archivist @ Christ Church:** We are delighted to announce that Frank Clarke has been appointed as the new Parish Archivist at Christ Church. This vital post ensures that the historical records of our church's life and ministry are retained for future generations. Thank you Frank!

**October Count: (CC)** The Church of England requires every church to record attendance during October. For 4 Sundays, we will be asking you to complete a small form with your name, etc. Please complete one for every week you attend, but only ONE for each week, however many times you come to church! This year, for various reasons, our count will start on 14th October and continue until 4th November!
