*or*

*Service of Shadows*

**Good Friday 30<sup>th</sup> March 2018**

**Christ Church, Nailsea 7.30 pm**

*The Tenebrae is an ancient Christian service telling the story of Christ's Passion through bible readings, music for choir and congregation, and the symbolic use of candlelight.*

*The Latin word 'Tenebrae' means 'darkness' or 'shadows'. During the course of the service, fifteen Tenebrae candles are gradually extinguished to symbolise the increasing physical and spiritual darkness, desertion and dereliction of Christ's Passion.*

*Do join us as we reflect anew upon the dark events of Good Friday and the new light and life of Easter Day*
