Write a letter to the future: We have had such an awful time with the Pandemic, I wonder should we leave a letter for those who probably won't know what we went through during 2020/21. We could (as we did for the Millennium) bury our letters in the Church for someone to dig up in the future. Please send your letter into the office. It would be a great legacy for those who come after us, so please send your letter into the office.

Christ Church Re-Ordering: The latest plans, which were submitted to the DAC on 1st February, are requesting formal approval for us to move forward with the re-ordering. The DAC will discuss our plans at their meeting on 17th February, during which we hope they will agree with our request. Please hold the outcome of this meeting within your prayers for the next two weeks. **CONGRATULATIONS** to our Fund Manager, Brian Slater, who has secured a donation of £10,000 from Nailsea Community Trust towards the cost of the project, in memory of Norman Baker, a past member of the Christ Church family.

Easter Eggs Neil Wylie our Connect Worker would like to give a small creme egg to all the staff at Nailsea School to let them know the Churches have been thinking and praying for them. Either leave them at Church when the office is open or contact me on 01275 790520 and I can come and pick them up. Last day for collection is 19th March. Many thanks Beverley
